

INTRODUCTION

We introduce ourselves as 'National Radiator Industries W.L.L.' based in the Kingdom of Bahrain since the year 2003. Our focus and specialization lies at providing our best services and solutions in the field of 'Cooling Technology'.

National Radiator Industries (NRI) is complemented with an efficient and well-planned Manufacturing & Service Facility, and is located in the Sitra Industrial Area.

We Manufacture, Supply and Repair all kinds of Radiators: Air, Oil and Water Coolers: Boilers & Heat Exchangers; AC Condenser coils; Anti-corrosive coatings; Friction-Brake & Clutch Re-lining, Pressure-Plate Reconditioning.

We strive in providing our clients with best quality products and good workmanship at all times.

ABOUT US

SALES TEAM

Our Sales Team is well experienced and has the desire to provide good customer service. The level of experience in them can provide you quick solutions immediately and keep your equipments and machinery at minimum ground time.

OPERATIONS TEAM

Our Operations Team is a nerve centre of our company. Taking in any jobs, ensure on-time deliveries and inspecting the quality of works is their responsibility. Our Sales and Operations Team work together closely to ensure the quality, delivery and safety is not compromised at all times.

TECHNICAL TEAM

We have a pool of talented and experienced technicians in their respective fields. We have set up proper workstations, toolings; equipment's to do their tasks with utmost professionalism and without compromising on the safety aspects. They are well aware of our company values, and carry out their works with a right attitude and good quality

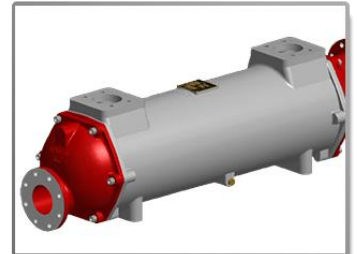

PRODUCT & SERVICES

RADIATORS

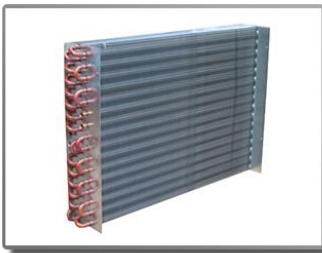

- Manufacture Copper/Brass Radiator Cores for all type of Trucks, Compressors, Forklifts, and Earth Moving Equipments & Generators.
- Clean, Service, Repair & General Overhauling of Radiators.
- Fabricate of Radiator Tanks, Core Replacement or Modification works of all types of Radiators.
- Stockist of Aluminum & Plastic Complete Radiators for Small to Medium Vehicles and Trucks.
- We carry out all kinds of Aluminum Welding repairs for Coolers and Radiators.

HEAT EXCHANGERS & COOLERS

- Fabricate Shell & Tubes Heat Exchangers & Air/Oil/Water Coolers.
- Clean, Service, Repair & General Overhauling of all Heat Exchangers & Coolers.
- Carry out Partial Re-Tubings, Full Re-Tubings of Desalination and Power Plant Heat Exchangers & Coolers.
- Complete Tube to Tube-Sheet Expansion Solutions for all Heat Exchangers.
- We have specialized and sophisticated Tube Expansion & Tube Pulling Equipments to carry out various tasks on any heat exchanger.
- We are also stockist of Non-Ferrous Heat Exchanger Tubes, namely, Copper Nickel & Aluminum Brass.

A/C CONDENSER & EVAPORATOR COILS

- Full Manufacturing Facility for all types of Air-Conditioning Condenser & Evaporator Coils.
- Our Range of Production is in: 5/16" OD, 3/8" OD, 1/2" OD & 5/8" OD.
- Construction can be in Copper Tubes & Aluminum Fins Or Copper Tubes & Copper Fins.
- Manufacturing of Coils for Window A/Cs, Splits, Package, Chillers & Air Handling Units.
- We are major stockist of 'Anti-Corrosive Heresite Protective Coating' for Condenser & Evaporator Coils. (We directly import this product from the Manufacturer in USA, and is approved by Environment Protection Authority of the Kingdom of Bahrain.)

FRICION (BRAKES & CLUTCHES)

- Brake Re-Lining of all types of Trucks. (MAN, Mercedes, IVECO, Nissan, Mitsubishi, Scania etc.)
- Clutch Re-Lining of all types of Trucks.
- Pressure Plate Re-Conditioning Services of all Trucks.
- Brake Shoe or Lining Modifications, Drums & Friction Facing Works.
- Brake & Clutch services are also provided for Machinery, Plants, Marine Sector (For Ship Winches).

National Radiator Industries W.L.L شركة صناعات الرادياترات الوطنية ذ.م.م

We Manufacture Supply, Service and Repair all kinds of:

- **RADIATORS: LIGHT & HEAVY VEHICLES, EARTHMOVERS ETC.**
- **AIR, OIL & WATER COOLERS: PETROCHEMICAL & MARINE INDUSTRY**
- **HEAT EXCHANGERS: FULL OR PARTIAL RE-TUBINGS, COMPLETE FABRICATION OF SHELL & TUBE HEAT EXCHANGERS, CLEAN & SERVICE OF PLATE-TYPE HEAT EXCHANGERS**
- **AIR-CONDITIONING: FABRICATION OF CONDENSERS, EVAPORATORS & AHU COILS ; A/C CHILLERS (SHELL & TUBE TYPE), SPECIAL ANTI-CORROSIVE PROTECTIVE COATING ON COILS, REPAIR OR INSTALLATION OF CHILLED WATER PIPELINES**
- **FRICTION: BRAKES & CLUTCH RE-LINING FOR TRUCKS, WOVEN BRAKE-ROLLS FOR MARINE & INDUSTRIAL USE**
